

2010+ CHEVROLET CAMARO

Maximize Performance, Sound & Mileage

2010+ CHEVROLET CAMARO 6.2L CATBACK EXHAUST SYSTEMS

Unlock the full potential of your new Camaro: introducing Stainless Works' Stainless Steel dual-exhaust system for the 2010 Camaro. Whether you are fitting to a factory connection point, or to custom SW headers, you will gain performance and turn heads with this mean-sounding system. Constructed with high-quality Everlast 304L stainless steel, our durable Catback Systems are formed with CNC mandrel bends and backed by our lifetime guarantee.

Our S-Tube turbo mufflers are specifically designed to enhance the sound and performance of your Camaro
