

Stainless Works New Product Announcement

Stainless Works is proud to announce the new E Cutout valve by DMH Performance. These valves feature a CNC Machined 6061 aluminum housing, 316 stainless steel shaft, Torrington needle bearings, and a high torque electric motor. The unique machining process produces a mechanical seal with no gaskets and is guaranteed not to leak. The valves are 100% USA made and carry a four year warranty. Low Profile valves are perfect for late models and street rods with limited floor pan and ground clearance.

Stainless Works New Product Announcement

| Part Number | Description | List Price | Weight |
|--------------------|---|-------------------|---------------|
| 2025-1 | DMH Electric Cutout Single 2.5" | \$189.00 | 4 lbs |
| 2025-2 | DMH Electric Cutout Dual 2.5" | \$369.00 | 8 lbs |
| 2030-1 | DMH Electric Cutout Single 3.0" | \$189.00 | 4 lbs |
| 2030-2 | DMH Electric Cutout Dual 3.0" | \$369.00 | 8 lbs |
| 2035-1 | DMH Electric Cutout Single 3.5" | \$199.00 | 4 lbs |
| 2035-2 | DMH Electric Cutout Dual 3.5" | \$379.00 | 8 lbs |
| 2040-1 | DMH Electric Cutout Single 4.0" | \$209.00 | 4 lbs |
| 2040-2 | DMH Electric Cutout Dual 4.0" | \$399.00 | 8 lbs |
| 2050-2251 | DMH Low Profile Electric Cut Out Single 2.25" | \$229.00 | 4 lbs |
| 2050-2252 | DMH Low Profile Electric Cut Out Dual 2.25" | 459.00 | 8 lbs |
| 2050-251 | DMH Low Profile Electric Cutout Single 2.5" | \$229.00 | 4 lbs |
| 2050-252 | DMH Low Profile Electric Cutout Dual 2.5" | \$459.00 | 8 lbs |
| 2050-301 | DMH Low Profile Electric Cutout Single 3.0" | \$229.00 | 4 lbs |
| 2050-302 | DMH Low Profile Electric Cutout Dual 3.0" | \$459.00 | 8 lbs |
| 2050-351 | DMH Low Profile Electric Cutout Single 3.5" | \$229.00 | 4 lbs |
| 2050-352 | DMH Low Profile Electric Cutout Dual 3.5" | \$459.00 | 8 lbs |
